NO HOMEWORK POLICY (GRADES I & II)

At OWS World School, we believe that young children learn best through joyful experiences, meaningful classroom interactions, play, and family time.

In accordance with the CBSE guidelines, the school follows the **No Homework Policy** for Grades I and II. No additional homework is assigned to learners in these grades.

To reinforce classroom learning, students may occasionally receive **Reinforcement Sheets** or simple, age-appropriate activities that encourage practice, creativity, and independent thinking without creating unnecessary academic pressure.

This balanced approach nurtures curiosity, promotes holistic development, and ensures a positive, joyful, and stress-free learning experience for every child.
